Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Discussed the restriction requirement mailed 1/30/2006 and upon further consideration it was agreed that the restriction requirement would be withdrawn with the understanding that the claims drawn to those inventions would not be pursued in copending USSN 10/180,165. Also discussed claim amendments to place this application in better form for allowance and discussed filing a terminal disclaimer over USSN 10/603,000. Applicant will consider filing a supplemental amendment to the office action mailed 5/5/2006 in the interest of compact prosecution.
